In view of the establishment of **Shubham University**, Semra Saiyad, Tehsil- Huzur, Dist- Bhopal-462010 by the Act, the name of the university has been included in the list of universities established as per section 2(f) of UGC Act. 1956 as maintained by the UGC on its website www.ugc.ac.in.

1. The inclusion of the name of the University in the list of universities maintained by the UGC does not by itself allow the University to make admissions in its programmes. This may be done only after creation of required academic and physical infrastructure facilities, including library, laboratories and appointment of teaching and supporting staff as per the norms and standards laid down by the UGC and Statutory Council(s) concerned.
2. The University is now requested to submit detailed information in the enclosed format (**Annexure-I**) (**soft copy as well as hard copy**) along with supporting documents duly attested by the Registrar of the University within a period of **3 months** from the receipt of this letter. This format along with appendices is also available on the UGC website www.ugc.ac.in. **The University is also requested to upload this filled in format and appendices on its website by giving a link on the home page so that the information is accessible to the students and general public.**
3. After receipt of the Information in the above mentioned format, the following procedure would be adopted by the UGC for inspection of the University:-
 - a. The information received from the University in the prescribed format would be posted on the UGC website within 10 days of the receipt of the information (**Annexure-I**). Comments would be invited from the general public within 1 month thereafter about the information submitted by the University. The comments received from the general public would be placed before the visiting UGC Expert Committee for perusal.

- b. An Expert Committee would be constituted by the UGC to ascertain whether the University fulfils the criteria in terms of programmes, faculty, infrastructural facilities, financial viability, etc. as laid down from time to time by the UGC and other concerned statutory bodies such as AICTE, BCI, NMC, DCI, INC, NCTE, PCI, etc.
 - c. The UGC Expert Committee would inspect the University within 3 months of the receipt of the information (Annexure-I) for assessment of infrastructure and other facilities available with the University. The report submitted by the UGC Expert Committee would be sent to the University within 2 weeks of the completion of the visit for comments.
 - d. The University may respond to the report within a period of two weeks after its receipt. In case no comments are received from the University within the timeframe, it would be presumed that the University has no comments to offer and further action would be taken on the report. After receipt of comments from the University, the report and comments received from the University, if any, would be placed before a Standing Committee of the UGC. The recommendations of the Standing Committee would be then placed before the Commission for consideration.
 - e. The Commission shall take final decision in the matter. It may require the University to submit further compliance report in respect of the observations/suggestions of the UGC Expert Committee/Standing Committee. The compliance report submitted by the University shall be placed before the Commission for consideration.
 - f. On approval of the Commission, a letter would be issued by the UGC to the effect that the University fulfils the criteria in terms of programmes, faculty, infrastructural facilities, financial viability, etc. as laid down from time to time by the UGC and other concerned statutory bodies.
 - g. If it is found that the Private University has, even after getting an opportunity to do so, failed to comply with the provisions of the various UGC Regulations including UGC (Establishment of and maintenance of standards in Private Universities) Regulations, 2003 and suggestions given by the UGC Expert Committee, the Commission may pass an order prohibiting the University from offering any course for the award of the degree and/or the post-graduate degree/diploma, as the case may be, till the deficiency is rectified.
 - h. The UGC may also take necessary action against a University awarding a first degree and /or a post-graduate degree, which are not specified by the UGC and inform the public in general through a public notification.
4. As per the judgment of the Hon'ble Supreme Court in the case of Prof. Yashpal Vs. State of Chhattisgarh, there is no provision to have Regional Centres/off-campus centres beyond the territorial jurisdiction of the State. In view of the judgement of Hon'ble apex court, the University is requested to adhere to the following:-
- a. No off-campus centre(s) is opened by the University outside the territorial jurisdiction of the State in view of the judgement of Hon'ble Supreme Court of India in case of Prof. Yashpal Vs. State of Chhattisgarh.
 - b. In case the University has already started any off campus centre outside the State, it must be closed down immediately. It may also be ensured that any off campus centre within the State shall be opened only as per the provision laid down in the UGC (Establishment of and maintenance of standards in Private Universities) Regulations, 2003 and with the prior approval of UGC.
 - c. The University shall not have any affiliated Colleges.

The approved nomenclature may be followed by the specific area of specialization to be reflected in the parentheses. The universities can award only such degrees as specified by UGC. This notification is available on the UGC website www.ugc.ac.in under the link https://www.ugc.ac.in/pdfnews/1061840_specification-of-degrees-july-2014.pdf.

Reasonable Assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

In our opinion, proper books of account have been maintained at the registered office of the above named fund or trust or institution or university or other educational institution or hospital or other medical institution at the address mentioned at serial number 14 of the Annexure:
